

Aashar Mehmood

FULL STACK WEB DEVELOPER

ABOUT

Bachelors in computer engineering and self-taught developer, seeking an entry level job as a full-stack web developer.

As a quick learner, I am excited to take on new challenges and work collaboratively with your team to achieve your company's goals.

Currently, I offer freelance web development services on Upwork and maintain a 5-star profile rating. I am confident that my skills and experience would make a valuable contribution to your team and help drive your company's success.
